Next Holiday—Thanksgiving on Thursday, November 28th.

Have you counted the days remaining before Christmas? Only 39 if our calendar is correct.

This fall brought the finest bean crop the Glades has experienced for several years. Excellent yields. Exceptionally high quality. And all of this at a time when prices make it almost impossible for the grower to harvest his crop.

A group of Glades hunters are wondering just how one determines when the sun is up. They are at a loss to know if the sun is up when you see it or if it's up when the almanac says it is.

Orchids to the Pahokee land and its director, Robert Lampi, for the splendid performance in the Armistice Day parade at West Palm Beach.

The Pahokee high school band committee is in the midst of raising \$550 to purchase new uniforms for the band. Have you given your bit? You can attend the St. Theresa and Blue Devil "B" Team on November 22, and help the fund. Every dime taken in at the gate will go to the uniform fund.

On Lair field Tuesday night between halves of the St. Theresa-Pahokee "B" Team game was sold to the highest bidder for \$6.50. That \$6.50 will help in outfitting some member of the Pahokee high school band with a swanky uniform.

thus getting out of danger, and in doing so they played their best foot defense of the year.

Peachcock doesn't get all the honors for Mike Sanders, Ross Eliech, Carl Cowen and W. A. Stevens were in there giving their best.

These lads smashed up plays, did some terrific back blocking and punting. Stuart had a line play that was a ground runner, each time used, and was the only one that was not effectively stopped by the Pahokee boys.

No score was counted on either side in the first quarter, but in the second quarter, Peachcock scored the first six points.

In the third quarter, Pahokee worked the ball down to Stuart's 15 yard line. Stevens maddened off into the southeast goal line section, and Peachcock tossed him a perfect pass for the second touchdown. The try for the extra point failed.

It was in the last quarter that the real thrill of the game came. Pahokee's player Kautz, fell a Stuart fumble, placing the ball on the Pahokee 10 yard line.

Peachcock faded back to his 10 yard line, as if to punt, saw an opening through center took it, swung over the field to the sideline, dodged all the Stuart players, and sciled over for an 84 yard run for a touchdown, and later kicked the conversion point.

SIDE LINE CHATTER
 Coach Evans brought along the Stuart band, a very good one, and they put on a good musical and drill program, which was given a big hand by the fans. The Pahokee High band was out there strutting like a veteran band, and it also got an excellent hand.

Fans in requested not to forget the benefit game on November 22nd, when St. Theresa's St. Theresa school team of Coral Gables, comes to play the Pahokee "B" team. Seats should be well patronized as the proceeds are for the band uniforms, and also for the band uniforms.

Lake Worth was out in force, and roared for Pahokee. They highly scored the Deeds as Lake Worth plays here on November 27, for the annual Thanksgiving Eve game.

new \$100,000.00 trucking house by Mr. Meek, its manager, who stated that the company desired service by December 1st. The company will advance money for the extension of mains and fire hydrants, to be paid back by the city in water rentals. The extension were granted and work will be started soon.

An ordinance was passed to its final reading, which provided for the purchase of a new Ford pickup for the water department, purchased from the Everglades Cattle Co. for \$750.00, and an allowance of \$250.00 on the old truck. The city pays half cash and balance in 30 days.

P-T-A To Meet On Monday Evening

The regular monthly meeting of the Canal Point P.T.A. will be held Monday evening, Nov. 18, at 7:30. The business for the meeting are the teachers of the first four grades? Mrs. Lence, Mrs. Zander, Mrs. Kerr, and Mrs. McEach.

REDDICK IS HURT
 William Reddick, genial station agent at Canal Point, is moving around very carefully these days, as a result of a peculiar accident which befell him on election night. While listening to radio election returns, he leaned over in his chair to pick up a paper from the floor, and slipped from the chair, resulting in rib and legament injuries.

The annual Palm Beach county gridiron classic—the game between Coach Frank Hobson's Blue Devils and Coach Clyde Crabtree's Palm Beach High Wildcats—is already creating a great deal of interest in these parts. Hobson's boys naturally would rather win this game than any other one on their schedule. The Palm Beach High gridironers are just as determined to win. The game—scheduled for Friday Night, December 6 on Lair Field in Pahokee—is sure to draw a record crowd.

In Unity there is strength. From here it looks like we're going to need a lot of unity and strength during the next years to cope with ever arising situations at home and abroad. However, with that gentleman from Imperial Polk sitting in Tallahassee and another gentleman from Hyde Park sitting in Washington, we here in Florida shouldn't have too much to worry about.

Wendell Wilkie won for himself a vast number of admirers on Monday night when he expressed his post-election views. His was the voice of a poor loser, but the voice of a splendid sportsman who is willing to abide by the will of the majority.

The federal government is planning to expand the present migratory camps on the shores of Lake Okeechobee. Already they have proven too small for the vast number of migrant workers who seek decent living quarters.

The American Legion members throughout Palm Beach county are due commediation for the splendid parade staged in West Palm Beach on Monday of this week. The parade was impressive and the ceremonies in Florida park will long be remembered by those who were in attendance.

The county board of instruction is moving along with its plans for validation of the bonds of the county in the recent election. Nearly three-quarters of a million dollars will be spent in two school districts in an effort to provide larger and better facilities for the boys and girls who are seeking an education.

The same rules will apply at Camp Okeechobee, the negro camp, but this will be a government project entirely assisted by the Belle Glade unit. Surplus farm supplies will be provided both masonry by the government.

Women Elect Zone Officers

Some 25 women representing the Methodist churches at Moore Haven, Clewiston, South Bay, Belle Glade, Pahokee and Canal Point, gathered at the Pahokee church, last Thursday for a meeting of Zone 5 of the Christian Service department.

Mrs. Clara Giehl, president of the Pahokee unit, presided, and led the devotional service, prayer.

Banks To Collect Cash For New Home

Renewed interest in the South Florida Crippled Children's Hospital and School at Miami is being manifested in Palm Beach

county with the county-wide distribution by Palm Beach Bottling Works of its gift of 600 counter-banks, miniature Pepsi-Cola coolers.

These small banks are being placed in leading stores and shops in all community centers of the county, where they will continue their appeal until December 15th. According to W. H. Hitt, distributor for Pepsi-Cola in this territory, who is giving his personal attention to this program on behalf of the Hospital and School, the small banks will be sent unopened to the Society's headquarters.

Ground was broken for the hospital and school July 4th. The South Florida Crippled Children's Society has announced that it has secured the assistance of former Congressman, J. Mark Wilcox, as legal adviser for the committee in charge of construction of the building and endowments for the hospital and school.

"The Crippled Children's Hospital offers one of the greatest opportunities for real service to humanity that the people of this section have had presented to them in many years," Wilcox said.

"Every citizen should consider it a privilege to be permitted to take part in this undertaking. The success of this movement will mean that hundreds of handicapped children will be given a break in life's race, and certainly nothing could be more desired than that." For my own part, I feel that I am greatly honored by being permitted to give a part of my time to this work.

"When's Thanksgiving Day?" Claude Santee asked his partner Jack Barrett.

Jack told him, "Any day we sell a lot and get a commission Thanksgiving Day."

Starting with January 1, the above named churches will be transferred from the jurisdiction of Bradenton into the newly formed West Palm Beach district, so it was found necessary to set up a new organization for the zone.

Mrs. G. W. Wood, the new district president, of West Palm Beach, attended the gathering, and planned out the work of this department of the church program. Zone officers elected were: President, Mrs. Clara Giehl, Pahokee; district secretary of Social Relations, Mrs. J. W. Wilson, of Belle Glade. The next zone meeting in January will be entertained by the Belle Glade unit of the Christian Service department.

Odds and Ends About State

Branch Cofe, brother of the Governor, will sign no more executive documents, as he has resigned from his position as executive secretary to Governor Fred Cone, who with Federal people in executive position in Selective Service work at Jacksonville.

State Press Association in session at Ocala, last week, switched officers, by naming Russell Kay, of Tampa, from the secretaryship to the presidency, and placing Charlie Hickenstein, of Live Oak, in the secretaryship. Kay from his publicity activity and his much read news column, "Too Late to Classify" is one of the most widely known men in Florida. Kay will make things hum in planning for the entertainment of the National Editorial convention which comes to Florida next summer.

Pahokee foot ball players and fans found a Golden Eagle player by the name of "Bebe" altogether too active for their pleasure, but in turn Chalmers Peacock, threw many a "thorn" in the strategy of the Ft. Pierce team. A mighty good hand was given the new Pahokee school band, by the Ft. Pierce people. Just wait for those new uniforms.

Bob Arnold, artist and newspaperman, who worked on a Glades paper a year ago, is now located in Miami. He is now horse-combat, as he has been continuously ill since leaving Pahokee. He writes friends that he has lost the artistic skill of hand and sight of eye as a result of his long illness.

Glades Happenings

Mr. and Mrs. J. H. McCranney, of Okchobee, were Monday guests of Mr. and Mrs. R. P. Fletcher of the Pioneer drug store.

Mr. and Mrs. Reld Clifton, of

Lake City, were week end guests of Pahokee friends. Reld has been promoted to the position of sergeant in the State Patrol system, and still retains north Florida as his patrol beat.

BUILDS NEW STORE

O. P. Register has started the erection of a large store and apartment building in the colored section of South Bay.

TO IMPROVE LAND

R. Y. Creech, who does extensive farming on Ritta Island and the Bean city section, has recently leased from Roy Alpaugh, a hundred acres in the Okchobee sector. He will protect this acreage by the erection of dikes.

FISH IN CANALS

When the high waters came to the lands in and about Okchobee, this summer, many lake and ocean fish found their way into the territory. Now that the waters have receded the fish have found refuge in the drainage canals, and it is reported that fishermen are having a gala time catching the fish, which are stated to be plentiful and large in size.

REMODEL BUILDING

The former Alston drug store in Belle Glade is being remodeled by contractor Pete Miller, and will soon be occupied by Harry Lee, who will move from his present location.

MAKE ROUTINE AUDIT

Auditors are busy this week making a routine check of the business affairs of the Everglades Federal Savings and Loan association at Belle Glade, of which Hugh J. Bradley is the efficient secretary and treasurer.

SUBURBAN VISITS FRIENDS

Jack Surratt, formerly of the Bolton drug store, now in hospital work for the Government at Miami, spent the week end visiting his many Pahokee friends.

NAME NEW HOSPITAL HEAD

Mrs. H. C. Schwine, of Birmingham, Ala., who has been the efficient superintendent of the West Palm Beach County Hospital Association's Memorial hospital at Pahokee, will leave that position on December 1st, to return to her home to care for pressing personal business matters. Upon the recommendation of the retiring superintendent, Miss Evelyn Stewart, who has been assistant superintendent in charge of medical cases, will become the new superintendent.

PAHOOKEE EQUIPMENT

Nashville school children are soon to learn the advantage of so called modern visual and sound education, for such a machine began to function during the past week. This much desired outfit was obtainable by the generosity of school organizations.

NEW LODGE MEETS NOV. 26

Belle Glade Lodge, F. & M., which was recently chartered by the Grand Master, will hold its first meeting at the auditorium of the city hall three, on the evening of November 26th. At this time much preliminary work will be considered by the members in connection with getting the new lodge under way for future work.

NEW PAHOOKEE TEACHER

Miss Jane Evans, of Miami, a graduate of the College for Women at Tallahassee, has been added to the faculty of the Pahokee Elementary schools, where she will teach a fourth grade class, an overflow from Mrs. Annell Holt's department. Miss Evans makes her home with Mr. and Mrs. Robert Douthett.

VISITED FARM TRAIL

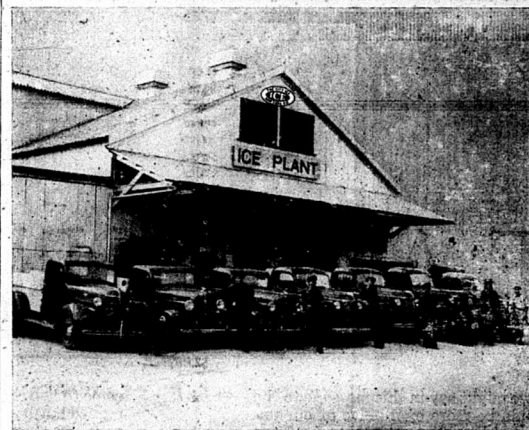

A large number of people who are interested in agriculture went to Moore Haven, Wednesday afternoon, where they visited the Government train, which was making exhibit of Live Stock, forage and forestry exhibits. The train was operated under the joint sponsorship of the State and Federal departments of Agriculture.

DINING ROOM BEAUTIFIED

Beautiful and attractive as it has always been, the management of the Clewiston Inn, has had the lobby and dining room, and all the sleeping rooms redecorated and improved. The work was done by Bob Coker, a Clewiston boy, who has a great ability in producing interior decorations of attractive nature.

ST. LUCIE TOMATOES ON THE ROLL

The first carload of sand grown St. Lucie county tomatoes went shipped by rail out of Ft. Pierce

The above photograph is an illustration of the advancement of the ice industry in Belle Glade and Pahokee. This group of wide awake and courteous business men is the delivery force of George Hudspeeth and D. G. Herring. This partnership has recently increased their territory by taking over the retail delivery formerly conducted by C. C. Clem of Pahokee, as Mr. Clem finds his duties of looking after the car icing activity requires most of his time. This small group of men have recently made outstanding achievement in the sale of ice using appliances and the community which they serve are enjoying first class ice refrigeration service. From left to right they are: Leslie Angel, Alton Sapp, Harry Harrison, George Hudspeeth, Earl Reeves, Clifford Horne, D. G. Herring and Johnnie Reason.

Saturday, provided for the launch of the ideal farmer's equipment. Growers report the finest stand and crop of tomatoes yet raised in that section. These tomatoes are now in competition with the hot house crop from the Cleveland, Ashland and Connell sections of Ohio, and are a bit hard, because the Ohio fruit is ripened, and the Florida fruit is yet green when it reaches the market and must await maturity.

NEW GAME RESERVE

Jupiter Island territory, on and after November 20th, will be taken over by the State Game and Fresh Water Commission, as a game reserve. No hunting or fishing will be permitted in its precincts for a five year period. The island lies in the Jupiter inlet and the international canal territory. Hunters have had much sport in this scope of land in the past.

DEDICATE FLAG POLE

On Armistice day, at Okchobee, the fine new flag pole and flag given by the D. T. A. were duly dedicated under the auspices of Clarence Alderman Post of the American Legion. Addresses were made by Glancy O. Wallace, Post commander, Judge T. W. Conley, Jr., and Supt. of County Schools, H. H. Hancock.

WENT TO TENNESSEE

Rev. S. F. Board, of the Pahokee Baptist church, left by motor Tuesday, for northern Tennessee, where he goes to look after estate for several weeks.

BACK FROM NEW ENGLAND

Lawrence Harrington, better known as "Red" has returned to Canal Point, after spending the summer months in the New England states, where he was assisting his brother in his trucking business. Red got over into Canada on a short vacation and likes the cross lake country fine.

STINGRAY WOUND STILL HURTS

Some four months ago, while fishing at the ocean, Ray Hawk of Canal Point, was stung by a stingray on his leg. The wound is still giving Mr. Hawk considerable discomfort as it has not yet completely healed.

POINSETTAS IN BLOOM

These beautiful deep red toned Poinsettia bushes are now in the glory of their beautiful, attractive bloom, which reminds one that the holiday season is all too near for most of us.

PRESENTED BAND INSTRUMENTS

Jack Smith, drummer in the school band, is now sporting a fine new drum, a present to him from his parents, Mr. and Mrs. Earl Smith. Louis, the other drummer, will now be in the band, as he has been presented with a fine cornet on which he is learning to play.

ARMISTICE DAY PARADE

Most of the members of Monksfield Post, American Legion and the Auxiliary, attended and participated in the Armistice day program at West Palm Beach. The Post took the Palm Beach school band along to be its parade escort, and the band received hearty applause along the line of march for its excellent work.

● WE ARE FLORIDIANS ●

Nothing that we might say in this message to the people of Florida would be more expressive of our unbounded faith in all that Florida can provide for those of us who live and work in this favored land, than is evidenced in the new office building that we opened to the public last week.

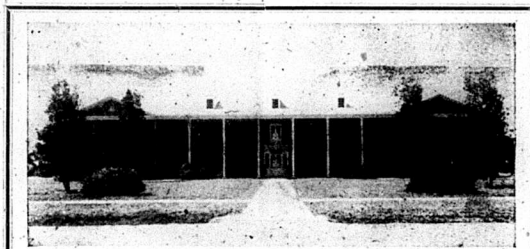

Built around the men who have given their best that Florida's latent resources might be brought to the service of mankind, there has grown a great producing plant that, in its every detail, is dedicated to employment, continued development and maximum service to Americans.

Out here in the Everglades there exist opportunities for constructive effort unparalleled in all America. Recovered from wild, inaccessible areas, towns, villages, factories, schools and modern developments of many

come to live and grow with "Sugarland." We, too, have gained much in our association with these industries and result-getting people. We have been happy in helping in all ways possible, to make them happy people.

No effort or contribution that we have been able to make, has had anything but our heartiest co-operation and the results that today are exemplified in this modern office facility, for our friends and co-workers, as well as ourselves, are indeed most gratifying.

We are Floridians and in that declaration we take much pride. Our life's and business' objectives are centered in these Everglades. No detail of fuller development of this "Empire Of Opportunity," whether for us or our fellow workers, will be overlooked. To the obtaining of all the things that will make Florida a more self-sustaining land, we pledge our research and resources.

kinds have become realities where just a few years ago snakes, panthers, alligators, wild cattle, and water birds reigned supreme.

Thousands of miles of ditches, serviced by huge pumps, now have "Sugarland's" acres under effective water control and on that wide-spread area many square miles of sugar cane rustle in the breeze. Railroads crisscross fields of the Okeechobee region, packing houses hum with activity, for in addition to sugar cane, hundreds of thousands of acres, now under water control, produce many thousands of cars of beans, celery, potatoes, lettuce, carrots, and numerous other crops. All this has been made possible by reason of the helpful, constructive co-operation of the United States Sugar Corporation.

It has been inspiring to work with those who have

To the fullest development of men and the natural resources of a land potentially rich beyond current viewpoints, we will give every encouragement, and the co-operation of every man in the employment of the United States Sugar Corporation.

We thank everyone who has in anyway been friendly and helpful in the things that we have accomplished. "Sugarland" lies before you a wide-spread example of the co-operation of rich soils, a kindly climate and earnest effort, by earnest men. To this happy land, we invite you, whether you are a welcome winter visitor, or a resident of the "Empire Of The Sun."
